## UNIVERSITY

Bulletin News Service.  
A most successful tour was held in the Grand Opera House on Monday evening. Considerably over two hundred were present, including the mayor, city council, and members of the board of trustees. The music, supplied by the Hilde Brothers and the La-combe Orchestra, left nothing to be desired, and this successful evening event augurs well for the future of this house.

Two good operatic companies have been already engaged and moving picture shows will fill in the time when the theatre is not engaged otherwise. The house has waiting accommodation for 400 and some of its own electric plant.

A fire occurred at one of the Chinese restaurants on Saturday night, and the newly installed fire brigade quickly turned out and under the able leadership of Chief W. G. Wilson, promptly put out and in any damage resulting to adjoining property. Fortunately there was no loss of life and not a considerable amount of damage.

The roads having improved by the fair weather, parties of settlers who have for some time been held up to that extent have now pulled out for their various destinations.

Mrs. Moore, of this town, is away visiting the Mr. Allan and Mrs. Allen, at Edmonton.

Mr. Allan was the Presbyterian minister for some time in this town, and has returned to his home.

The death is recorded of Mrs. John Robinson, of Eagle Ridge, ten miles west of town. This coming on account of the demise of her husband, John Robinson, one of the old timers, has left a large family.

The funeral services take place at St. Mary's church on Monday last, being the 21st inst.

Mrs. Robinson died at the age of 74, and will be much missed by the many friends and acquaintances.

More discussion took place at the meeting of the board of trustees at the church on Sunday, and which was called by the mayor at their request.

The subject last night had been the subject of the board of trustees, which decided to hold a meeting on Monday next at 8 o'clock.

At the meeting of the board of trustees on Monday next at 8 o'clock, it was decided to hold a meeting on Monday next at 8 o'clock.

contract for the plumb of water from the Firestone Creek, a distance of about 2 1/2 miles northwest. This is a good indication that the C.P.R. has something about in store for Westfield, which is already one of the best watered towns in its section.

At the regular meeting of the council on Thursday evening, C. H. Hether who will be the city engineer, was given permission to drive into the city from the streets, morning and evening. Harry Whitehead, the city engineer, made several suggestions whereby his department could be improved. The matter was referred to the fire committee. The city hospital committee reported that they had conferred with the committee from the Scandinavian Hospital, and that that institution could be taken over by the city as it stands.

After discussion, Ald. Chandler, Wainwright and Ellis were appointed a committee to sit in the matter with the citizens committee. Ald. Angus and Ellis, the special committee appointed to go to Edmonton to see disposal matters reported that the Provincial Board would approve the options recommended by John Tait & Co., but that this advocated another system, which they claimed was equally as efficient and would be a great improvement.

It was decided to advertise for bids for the disposal of 10,000 worth of wood, which was being sold to have the streets sprinkled when the weather was hot.

The city will hold a sale of the lot that is a long one, and this material disposal greatly subside the city.

T. Hamble, manager of the Farm, at Edmonton, was on his way to the city on Friday evening, and was expected to get to the city on Saturday morning.

Mrs. Blandford and daughter, Calgary arrived in the city this morning, and will be much missed by the many friends and acquaintances.

## His Old Age Made Free From Suffering

## BY GIN PILLS

ANNAPOLIS, N.S.  
"I am now 60 years of age and have been suffering with kidney and bladder trouble for fifteen years. I took doctors' medicine but got no help. I want to thank you for sending me the sample box of GIN PILLS."

"I have taken six boxes of GIN PILLS and feel much better. I had taken near five dozen. I had to get up every night every fifteen minutes and had to use an instrument before I could urinate."

"Now I can lie in bed four or five hours without getting up. I say that GIN PILLS have nearly cured me and I shall always keep a box in the house."

Do as Mr. Pierce did, write us for free sample box of GIN PILLS and let us tell you just how much they will do for you. Then buy the regular size boxes at your dealer's—see of 6 for 25. GIN PILLS are sold with a positive guarantee of money back if they fail to give prompt relief. National Drug and Chemical Co., Dept. Ad., Toronto, 41

out for the winter have got on their chimneys.

Townships 22 and 21 to Range 7 and 8 have been formed in a local improvement district. Wm. C. Fisher, of Delta, the townships, 22 and 21 to Range 7.

A. C. Brown sold a spuro bred Clydesdale horse to Mr. J. W. C. Fisher, of Delta. The spuro was a yearling and the breed and the price was good.

**Body of Infant Found.**

Windsor, April 20.—The body of a child developed from birth baby lay found by a woman of Windsor, near the

at the foot of Grove street near the river this afternoon. No other sign of the child was found. The infant's parents, it was reported in Windsor, had been found, but some months of age.

### TELL BENEFITS OF RECIPROCITY

Hon. Frank Oliver and Dr. Clark M.C. Spence, at J. Edgar's—A powerful plea for Five Trades—The New Deal Will Benefit all the Legitimate Interests.

Edmonton, April 20.—Hon. Frank Oliver and Dr. Clark M.C. Spence, at J. Edgar's, at a large public meeting here tonight at which reciprocity was the sole topic of discussion, W. A. Buchanan, M.P., occupied the chair. Dr. Clark made a powerful plea for free trade. He said he candidly admitted the reciprocity agreement did not do for enough for him, but he supported it because it is in the right direction. He detailed protection, free trade and industrial progress which among the highest price possible from the home country, he pointed the argument that protection, such as the United States and Canada and United Great Britain's progress under free trade, was greater than the United States. He claimed the progress in the progress countries of the world was towards free trade, taking the argument of the opponents of reciprocity as a measure of their own dimensions of its benefits.

Dr. Clark Oliver, who followed, said that reciprocity would bring to Canada all parts of Canada and other factors of growth are considered. He claimed the progress in the progress countries of the world was towards free trade, taking the argument of the opponents of reciprocity as a measure of their own dimensions of its benefits. He said that reciprocity would bring to Canada all parts of Canada and other factors of growth are considered. He claimed the progress in the progress countries of the world was towards free trade, taking the argument of the opponents of reciprocity as a measure of their own dimensions of its benefits.

**Mormon Whit Investigation.**

Salt Lake City, Utah, April 20.—The first time in the history of the Mormon church it has started a movement to secure a public investigation of charges made in England that the church is inducing the immigration of women for immoral purposes, however, they also have suggested a well founded.

### WILL NOT REVIEW SUBSIDY

British Government Will Not Assist in Settling Line Between Halifax and West Indies.

London, April 20.—The department of trade and commerce has been officially advised by the British government that it does not propose to review its share of subsidy to the Pickering & Black Line for steamship service between Halifax and St. John and British West Indies.

The British government has recently offered into a contract for a direct service from Great Britain to the West Indies. It will be recalled that the Imperial commission presided over by Lord Halifax of Halifax and which included Hon. Messrs. Chamberlain and Balfour recommended a service between Britain and West Indies. The Canada had to this the same object, as the desired direct communication with the British Empire. The Pickering & Black Line, one of the agents of the Imperial government will doubtless ask the Canadian government to increase the subsidy, now being paid.

### CHARLES D. SHELTON PLEADS NOT GUILTY

Man Who Many Alibis Appears in Court of Special Sessions and Pleads to be Tried by a Jury in King's Bench.

Edmonton, April 20.—Charles D. Shelton, the man with many alibis, appeared before Judge Leckie this morning and pleaded not guilty to the charges of obtaining money under false pretences.

He was afterwards taken before Judge Langhorne in the court of special sessions to answer for trial and was placed for a jury trial, which means that he will have to remain in jail until the June session of the court. "Killer" Hinch, before trial is granted in the meantime.

There was no application for bail this morning, but Mr. Pelletier, the man's counsel, stated that an application for bail would be made later.

The defence does not appear to have directed in behalf from his trouble other than his own appearance to have been a little more angry and appeared in different in the many cases even upon him during his appearance in the court room.

It is the general opinion here that a heavy bail will be demanded if the "Killer" Hinch is not made by the crown attorney, a former case of the "Killer" Hinch will step into the arena.

**Assisted Affairs to Ender.**

Windsor, April 20.—For assisting alone to violate the Canadian immigration office, Daniel Smith, a Michigan Central station foreman, has been fined \$25 and costs. Smith had a system for bringing aliens over the line, and his job with the railway to bring the newcomers with a set of instructions to pass as railroaders.

### DISCUSSION ON THE CONFERENCE

The Debate on Reciprocity Gave Way to a New Subject—Foster Attacks the Government's Fight Sometimes Premier May Not Go in the Convention.

Edmonton, April 20.—The reciprocity debate gave way for a couple of days in the common today to a new discussion on the approaching imperial conference, which was the subject of the day. Mr. Foster, who after reviewing the views, accompanied by the "Unfortunate" moderately criticised the government's position, having suggested a number of amendments at the meeting which opened in London in May.

Mr. Wilford Laurier after complaining Mr. Foster on his criticism, would the House that the government was not interested about the approaching conference. The government was considered, he said, that there were so many questions of the conference which had not been decided at a previous conference that it was not advisable to suggest any thing.

The premier did not make any statement that he may not be able to attend the conference and it was said that no trip depends on the progress made with the reciprocity agreement in the House. If it is agreed or an assurance given that it will be made, the premier will go. On the other hand the opposition decided to keep up the fight all June or after the premier will finish up the fight.

The reciprocity debate was not resumed on the evening after when Mr. Edwards, Conservative minister for provinces, gave a three hour speech in opposition to the proposal. He said that although Pomeroy was a fair and honest countryman, the majority of the people are opposed to the agreement.

Mr. Thompson of St. Ignace, followed the debate.

### MILLERS TO OPPOSE

National Federation take Steps to Promote Against Free Importation of Cheap Goods.

Edmonton, April 20.—Members of the National Millers' Federation will oppose the importation of flour from Canada as provided in the proposed reciprocity trade agreement and will meet at Niagara Falls, June 1, to devise means for opposing the agreement. A notice was sent out today by the secretary of the organization asking all miller and miller organizations to attend the meeting.

The federation stands for reciprocity provided its provisions are made equitable, said Secretary A. G. Gosselin. The millers oppose free flour because the cost of manufacture is less in Canada than here. Wages are less and much of the manufacturing is by way of water power.

PHONE 4064.  
28 Jasper East, Edmonton.

### AROUND THE CITY

#### LOCALS.

Mrs. Bulaya will receive on Monday for Mrs. Frank Oliver.

#### COMPLETING RAILWAY LINE

Work is being pushed on the connection between the street railway line at the corner of Jasper and Syn. street and the new line extending over the ravine on Jasper east to the Exhibition grounds. The new short cut to the grounds will be completed in the course of a few days.

#### GOOD START FOR FUNDS.

The Salvation Army had a good beginning yesterday for their ten-day campaign to collect 12,000 for their new band instruments. On the first day \$485 was secured and the members of the Army feel that they will be able to secure the entire amount in the specified time.

#### DEATH OF HEART DISEASE.

The death took place yesterday afternoon of heart disease of Earl Hamilton who for some time has been employed at the International Hotel. He had been ill for some days and McKinnis' undertakers were awaiting instructions from his people in Missour, who have been visited by his demise. The deceased came to Edmonton about four years ago and was one of the best lacrosse players in the city for some time. He was a member of Edmonton's last team.

#### THE HARM SKIRT.

Yesterday afternoon great amusement and excitement was aroused over the appearance of the much-maligned harm skirt seen on Jasper avenue between the hours of 4 and 5 p.m. A lady was seen quickly walking towards the West in this particular style of garment and eventually turned into Messrs. Purvis & Co's store. Upon enquiry the Bulletin representative learnt that it was the intention of the firm to purchase a limited number of skirts.

#### BABY WAS BURNED.

Nos. 1 and 3 fire halls were called out at 4:30 yesterday afternoon for a fire in a stable owned by H. McFarland at the rear of 441 Fraser Ave. The blaze which had evidently been started by matches dropped by children had obtained good headway before an alarm was sent in. Adjoining the stable was seventy-eight year old Mary and this was badly damaged while the barn itself also suffered severely. At 4:45 a.m. a station responded to a call from 416 Kensington, where hot ashes caused some alarm.

#### A NEW UNION.

The bakers and confectioners of the city after remaining for years in an amiable state have decided to get together and unite for their benefit. A charter for the new union has been applied for from the American Federation of Labor and will reach here in a few days. On Saturday evening at eight o'clock a meeting will be held at 118 Howard Avenue, Douglas Block, where permanent officers will be chosen. All members of these trades are urged to be present and take part in the proceedings to better condition of the men of these trades.

#### MOTOR CAR TOOK FIRE.

Considerable excitement was caused in front of Hurry's cafe shortly after twelve o'clock this morning by a blaze on an auto which resulted in the colling out of the driver from Nos. 1, 2 and 3 halls. The machine No. 989, owned by Austin Beck, son of Mr. Justice Beck, was standing in front of the cafe when the accident occurred. Apparently the carburetor was leaking gasoline and some person passing by had thrown a lighted match or cigar into the inflammable material. Shortly after the front of the cafe when the accident flames. All was in a blaze when the firemen arrived and used the chemical with good effect. The front of the car and the driver were badly damaged by the fire.

#### MELAREN THEFT CASE.

The trial of B. E. McLaren on the charge of theft was begun in the Police Court this morning and will be continued this afternoon.

The case arose out of a seizure made some days ago at the home of H. E. McLaren on Queen's avenue, when a quantity of bottles and was belonging to the H. E. McLaren company, manufacturers of extracts and concentrates were found. It is claimed by the prosecution that they had been removed from the warehouse of the company on Sutherland street, without the consent of the company. The defence will try to prove that although the goods were found belonging to the H. E. McLaren Co., the building in which they were found was leased by them from McLaren and that the lease was not disclosed.

The evidence of L. W. Mitchell, the witness, which was given in the greater part of the morning, dealt with the relation of McLaren with the H. E. McLaren Co. The business had been started about a year ago when McLaren was manager up to a month ago when he was discharged.

The quarters of the company, originally in a house on Queen's avenue owned by McLaren, had been removed to Sutherland street and it is alleged that McLaren was instructed to remove all the contents to the new warehouse. A quantity of goods, including one keg and a couple of dozen bottles, was introduced in court as the seizure made on the property of McLaren on Queen's avenue some days ago. Mr. Mitchell could not positively identify any of the articles in question as having been the property of the McLaren company, though they resembled similar goods belonging to the company. At the time of the seizure he had removed from a keg a shipping tag with the McLaren Company's name which was produced as an exhibit. Mr. Cowan, who defended McLaren, attempted to show that such a tag was no means of identifying the keg, as it might remain long after the keg and passed into other hands. The court adjourned at 12:45 to resume the sitting at 2:30 this afternoon.

## A Tea of Individuality

Blue Ribbon Tea has an individuality of its own. No other tea is like it not only in its flavor but in its strength. It suits all classes. If anyone finds Blue Ribbon is not superior to the tea formerly used, and it is necessary to return the packet and have the money refunded. Try a packet. Your grocer has it or will gladly get it to fill your order.

### TRUANT OFFICER IS DOING A GOOD WORK

Saturday Monthly Report to Board at Regent's Medical—

Uninterrupted freedom from the city's most duty of school attendance is no longer enjoyed in Edmonton by the public school pupil whose truant tendencies are encouraged by over-indulgence or unwise. Three hundred and thirty-four children who were reported as truants during the month of March, 1911, were reported as truants during the month of April, 1911.

#### Medical Report.

Dr. Dunn, the medical inspector, reported that during the month he had made 465 examinations at the Alexander Taylor school, the Holy Trinity School and the Synagogue Ave. school with the following results: Eye defects, 27; 444 p.p. Enlarged tonsils and adenoids (both), 6; 163 p.p.

Enlarged tonsils (alone), 13; 297. Adenoids (alone), 26; 12, 12 p.p. Other nose and throat defects, 6; 99 p.p.

All nose and throat defects, 166; 2, 43 p.p. Ear defects, 10; 1, 65 p.p. Defective teeth, 35; 13, 37.

239 defective tonsils or about 42.5 p.p. of pupils who are affected in some form.

Expenses of treating. The committee in charge of the arrangements for the opening of the new school reported expenditures totaling \$45.50, which were approved by the board.

The committee on buildings and grounds recommended that \$4,175 be appropriated as the amount which it would be necessary to expend during 1911 for the upkeep and repair of the various buildings and properties of the board.

Superintendent McNeil submitted to the board a communication which he had received from George Moore, whose son, John, broke his arm while playing in the Norwood school. Mr. Moore wanted the bill for the necessary medical attention was "a pretty big one," and wanted to know who would be responsible for paying it. The board declines to undertake the responsibility.

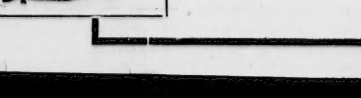

The following tenders were received for external painting at the McKay avenue school: Cameron, Co., \$110; Henderson & Co., \$200; McNeil & McNeil, \$42; and Albert Rosenberg, \$125. The lowest tender was accepted.

## WILSON'S INVALIDS PORT

(A Is Quina du Perou)

The following are appreciations from practising physicians who have personally tested the merits of Wilson's Invalids Port—hence their testimony is all the more significant:

Dr. CHAR. L. BARNES, L.R.C.P.S.B.

"I have used Wilson's Invalids Port for many years and believe that 'Wilson's Invalids Port' which is absolutely a good wine, is a safe article to prescribe in cases of debility or exhaustion."

H. R. MACKAY, M.R.C.M.E.DIN.

"I very rarely prefer any a stimulant beyond prescribing the wine which is offered, and you will find it the best form of stimulant. This I frequently do with your Invalids Port, and I think it well that you should be aware of its value."

Dr. J. J. DAVIS, M.D., L.R.C.P.S.B.

"I use Wilson's Invalids Port in many cases of debility and it is a good tonic. It is a good tonic."

#### BIG BOTTLE

WILSON & CO., 256 Ave. Ave., Edmonton.

was accepted, subject to a sufficient guarantee being given. Palling this the contract will be awarded to Cameron & Co., \$110; Henderson & Co., \$200; McNeil & McNeil, \$42; and Albert Rosenberg, \$125. The lowest tender was accepted.

## A NEW ELDORADO

It has often been a source of surprise that the new famous Steamboat Mine, so near Vancouver, should as long have escaped the attention of prospectors and operators. The explanation is simple. The new Nevada district of Goldfield and Tonopah was ignored for years because mining experts, including no less an authority than John Hays Hammond declared that mines would never be found in a porphyry belt, and was passed up again and again by prospectors, until some prospect who knew Nevada recognized the rock as identical in character and formation with that of the famous southern gold field.

## STAGGERING VALUES

The samples brought to Vancouver from Steamboat have shown values staggering to both prospectors and assayers, many of them showing thousands of dollars to the ton, and not being specially selected, but fair average specimens.

## IN THE HEART OF

## THIS RICH DISTRICT

Are the claims owned and controlled by the Steamboat Central Mines, Ltd. Assays taken from the surface show an average of 19.65 of gold. The vein averages about 10 feet, is well defined, has been traced for a distance of 3,000 feet, and should prove one of the biggest dividend payers of the decade. No expensive machinery is required to work the property, which can, on expert advice, be mined for \$2.50 a ton. It is proposed to put a 50 ton stamp mill on the property, putting the company in a position to treat the ore themselves, without going to the expense of having to haul the rock to some other mill.

## TWO TUNNELS

## TO BE STARTED

In a very short time. As the work progresses the price, from the comparatively insignificant figure at which you can buy today will sell at 1,000 per cent advance over present prices. We urge that you inform yourself as rapidly as is consistent with good business judgment, with the merits of this enterprise and the character and integrity of the officers.

## 25c. A SHARE

Only 25,000 shares to be sold at this low price, and the money raised used for actual development work only. Per share \$1.69. Subscriptions are pouring in with each mail. Write today to be sure of getting some of this stock.

## A. ELLIOTT JACKS,

Investment Broker,

866 Bowyer Building,  
Vancouver, Can.

Dear Sir:

Please send me at once your free booklet and full information about Steamboat Central Mines, Ltd. I understand that should I decide to purchase shares I am to secure them at the present low price of 25c each, and on easy terms.
